Show case text

Take a break whenever you need one. Cases wait; the fan stays paused.

Your decision

Near-misses happen, such as an adult mentioning a birthday or a school they went to. Read the whole conversation before deciding.

☐ Confirm: this asks for a child, or for someone to act as a child

The fan's account is closed and a report is prepared.

☒ Dismiss: not a violation

The fan's access comes back and they see “Your account is active again”.

Reason (required)
