How this works

Curated & Pre-approved

All listed themes, settings, and wardrobe options in the catalog are pre-approved by Maya. Custom requests outside these boundaries require additional review.

Transparent Estimates

Prices shown are estimates based on your selections. Final pricing is confirmed upon Maya's review and approval of your Scene Card.

Standard Delivery

Delivery is typically 7 days **after payment confirmation**. Expedited options may be available during the planning phase.

Content Guidelines

Wardrobe is strictly creator-curated. No explicit content, political endorsements, or commercial promotions are permitted in these personal commissions.
