?

Props you choose yourself

You can include these. Maya will say yes, say no, or set a price after reading your request.

⛔

Never allowed anywhere on Maya Atelier

These rules protect everyone. No creator can change them.

•

Anyone under 18, or anything that suggests it

•

Sex between relatives

•

Anything involving animals

•

Anyone on camera who isn't verified as an adult

•

Anything else that would be illegal in real life

?

Adult roles like a nurse, doctor or police officer are fine if Maya agrees.

•

School, student, childlike, family or step-family roles

•

Anything without clear consent, including pretend, drunk or asleep

•

Real people other than Maya, Maya's verified partners and you

•

Meeting in person, or paying for sex off camera

•

Hate or harassment

C1 · A suggestion that needs Maya's OK

SUGGESTION

Add Leo to the scene

?

Ask Maya first

This touches one of Maya's limits: "Scenes with my partner, Leo." You can add it. Maya may say no, or set a price for it after reading your request.

Add and ask Maya

Not this one

No price is shown for this part yet. Maya sets it.

C2 · The fan asks for something Maya doesn't do

Could we film it on a beach at sunset?

✕

Maya doesn't do this

"Filming outdoors" is one of Maya's limits, so it's been left out of your plan. Everything else you asked for is still here.

C3 · A message breaks a rule for everyone

⛔

Not sent

Your message includes something that's never allowed on Maya Atelier: school, student, childlike, family or step-family roles. Nothing was shared with Maya. You can change your message and try again.

(The fan's own words stay here, so they can edit them.)

The notice names the rule and nothing more. No warning tone, no lecture.
